

Regional Account Manager – South East Area

An exciting opportunity has arisen for the position of Regional Account Manager within Price Tools.

Candidates will ideally be highly experienced in the Power Tools and/or the Wholesale marketplace.

Reporting to the Price Tools National Sales Manager, you will be responsible for developing the sales and profitability of customers. This role will see you predominantly selling Power Tools & Accessories to Dealers & Merchants, creating effective relationships which allow you to develop sales and the customer base. Candidates must possess excellent communication skills to be matched by a professional manner and smart appearance.

In the main you will be working remotely from the office therefore you will need to be self-motivated and be capable of working independently. We will be looking for candidates that can demonstrate sales planning, objective setting and management of structured sales calls, negotiation and PC skills.

If you would like to apply for this post, complete an application form and send along with your CV and current salary details in confidence to;
