

Plumbing Trade Supplies

Sales Representatives - Widnes

Reporting directly to the Area Sales Manager, you will be responsible for small and medium contractors. This role will see you selling our range of products to domestic installers, creating effective relationships which allow you to develop our sales and customer base. Ideally living in the local area, you must have experience of the plumbing and heating industry and sound product knowledge.

Experience of external sales would be an advantage but not essential. The ability to recognise and make the most of potential business opportunities is essential. Candidates must possess excellent communication skills to be matched by a professional manner and smart appearance.

If you would like to apply for this post, complete an application form and send along with your CV and current salary details in confidence to;

Widnes
